PATSY DONALDSON KEY

Coming Home Queen

Class of 1954

I married Bobby Key of Throckmorton. We lived in Albany for 2 years. We then moved to Odessa where Bobby worked for Oilfield Supply and I was a housewife and mother. We moved back to Throckmorton where Bobby started Key Tile Co.. He traveled all over the U.S. installing tile in many commercial structures and buildings throughout. Bobby retired after 37 years. Key Tile Co. Continues now as a third generation business operated by Glenn and Rowdy Key with a retail store in

Fredericksburg, Tx.

During this time we lived in Clyde where our children attended school and were raised. We also owned and operated K-K Western Wear store in Clyde.

We have three children and their spouses, Maurice of Albany, Lige and Ginger Prewitt of Woodland Park, CO., Glenn and Becky Key of Hunt. Five grandchildren with 2 spouses. Chris and Jessica Hargett, Matt Hargett of Albany, Patti Hargett of Woodland Park, CO, Rowdy and Kacey Key of Harper and Cody Key of Hunt. Two great-grandchildren Colby Allen Hargett of Albany and Kylea Rae Key of Harper.

We enjoy spending time with our children and grandchildren and are active members of the Friendship Baptist Church. We are big supporters of the Albany Lions football, basketball, baseball and track.

I love to cook for Awanas, just as my parents, Maurice and Jerry Donaldson, who owned the Club Café in Albany and other restaurants over the years who spent endless hours in the kitchen. God has richly blessed us with family, church, friends and community.
